

Standard Rubric

Score 4.0	Demonstrates understanding of more complex content. (Extended Thinking)
Score 3.0	Demonstrates understanding target learning objective. (Strategic Thinking)
Score 2.0	Demonstrates understanding on simple content. (Skill and/or Concept)
Score 1.0	With help, demonstrates partial understanding on 2.0 and 3.0 content (Recall and Reproduction)
Score 0	Even with help, no understanding demonstrated.

This is a generic rubric to give you an idea how your work will be graded. The goal for a passing grade is 3.0 (understanding the learning objective). This rubric will be used for formal assessments as well as informal observations. **No grade is final.** You have multiple attempts to **“show what you know.”**
